Sprint 3 Report

- **Actions to stop doing:**

- Committing to Master without dealing with merge conflicts

- **Actions to start doing:**

- Committing to Git better

- **Actions to keep doing:**

- Continue communicating and discussing problems within the code and problems we encounter.

- **Work completed**

- User Story 2 Clean up the Algorithm

- **Work Not completed**

- User Story 1: UI
- User Story 3: Features
- User Story 4: Export

- **Work completion rate:**

- 77% User Story completion
- 77% ideal hours spent
